

FRESHER SOFTWARE ENGINEER

Contact Information

- **Name:** Alex Tran
- **Email:** alex.tran.dev@gmail.com
- **Phone:** (510) 234-5678
- **Location:** Los Angeles, CA 90001

Profile

A dedicated and fast-learning fresher software engineer with a passion for creating efficient and scalable solutions. Skilled in programming, debugging, and collaborating with teams to develop impactful software applications. Excited to take on new challenges and continuously improve technical skills in a dynamic and innovative environment.

Experiences

Cloud Application Development Intern

- **Company:** TechBridge Solutions
- **Duration:** June 2024 – September 2024
- **Description:**
 - Collaborated with the development team to design and implement new features for a SaaS product.
 - Developed reusable components in JavaScript using React.js for the front end.
 - Conducted performance optimization and functional testing to ensure seamless integration.

Technical Support and Infrastructure Intern

- **Company:** CloudSphere Technologies
- **Duration:** January 2024 – April 2024
- **Description:**
 - Assisted in managing cloud infrastructure and resolving system-related issues.
 - Automated repetitive support tasks using Python scripts.
 - Gained experience with cloud platforms and containerized environments using Docker.

Education

Master of Science in Information Technology

- **Institution:** University of Southern California, Los Angeles, CA
- **Duration:** September 2019 – May 2021

Bachelor of Science in Computer Science

- **Institution:** California State University, Fullerton, CA
- **Duration:** September 2015 – June 2019

Skills

- Proficient in programming languages: Python, C++, and JavaScript.
- Experience with web development frameworks such as React.js and Node.js.
- Basic understanding of DevOps tools like Docker and Jenkins.
- Strong debugging and testing skills.
- Knowledge of database systems (MySQL, MongoDB).
