

INTERN SOFTWARE ENGINEER

Contact Information

- **Name:** Sarah Nguyen
- **Email:** sarah.nguyen.dev@gmail.com
- **Phone:** (818) 987-6543
- **Location:** San Diego, CA 92101

Profile

A detail-oriented and highly motivated intern software engineer with a passion for solving problems through technology. Skilled in programming and debugging, I am eager to apply my academic knowledge in a real-world setting and gain valuable hands-on experience in software development.

Experiences

Web Development Intern

- **Company:** Innovate Tech Labs
- **Duration:** July 2024 – October 2024
- **Description:**
 - Contributed to building and maintaining responsive front-end components using HTML, CSS, and JavaScript.
 - Assisted in debugging and testing cross-browser compatibility issues.
 - Documented technical processes to streamline team workflows.

Software Support Intern

- **Company:** Visionary Systems
- **Duration:** February 2024 – May 2024
- **Description:**
 - Helped monitor and troubleshoot application performance for clients.
 - Created user guides and FAQs to assist in the onboarding process for new software users.
 - Supported senior developers in testing new features before production release.

Education

Bachelor of Science in Computer Science

- **Institution:** San Diego State University, San Diego, CA
- **Duration:** September 2016 – May 2020\

Skills

- Hands-on experience with web technologies: HTML, CSS, JavaScript, and React.js.
- Basic understanding of back-end development using Node.js and Express.js.
- Familiarity with version control systems like Git.
- Strong problem-solving and analytical abilities.
- Introductory knowledge of cloud platforms (AWS, Google Cloud).
